to me

Hi Margot,

I've read all of these. Thanks. They are helpful. I'm going to share them (without your name) with some others. I've also had some exchanges with people after our meeting, passing on some of your suggestions (again, not as coming from you.) Thanks.

I hope you've had a quiet and productive spring break. I'm still out of town, but if you'd like to meet again after spring break, let me know.

Cappy

Cappy,

I am glad to hear that you have read the materials I sent along to you. I think it would be very productive to continue our conversation so that we can get deeper into the Title IX and Clery Act's application at Vassar. There is much room for growth and it is imperative that Vassar continues to evolve.

Best,
Margot

Dear Cappy,

With the conclusion of the year, I think we should meet to continue our discussion of Title IX at Vassar College. I believe it to be imperative that we maintain our dialogue. There is much work to be done and I would like to have a hand in the evolution of Vassar's understanding and involvement in these issues. Please let me know when we can meet.
